The Council of the City of Newcastle upon Tyne, in this Order called "the Authority", in pursuance of the powers conferred in that behalf by Section 60 of the Town and Country Planning Act 1971, and subject to the provisions of the Forestry Act 1967, hereby makes the following Order:-

2. Subject to the provisions of this Order and to the exemptions specified in the Second Schedule hereto, no person shall, except with the consent of the authority and in accordance with the conditions, if any, imposed on such consent, cut down, top, lop, uproot or wilfully damage or wilfully destroy or cause or permit the cutting down, topping, lopping, uprooting, wilful damage or wilful destruction of any tree specified in the First Schedule hereto or comprised in a group of trees or in a woodland therein specified, the position of which trees, groups of trees and woodlands is defined in the manner indicated in the said First Schedule on the map annexed hereto which map shall, for the purpose of such definition as aforesaid, prevail where any ambiguity arises between it and the specification in the said First Schedule.

3. An application for consent made to the authority under Article

2 of this Order shall be in writing stating the reasons for making the

application, and shall by reference if necessary to a plan specify the

trees to which the application relates, and the operations for the

carrying out of which consent is required.

4.(1) Where an application for consent is made to the authority

under this Order, the authority may grant such consent either

unconditionally, or subject to such conditions (including conditions

requiring the replacement of any tree by one or more trees on the site

or in the immediate vicinity thereof), as the authority may think fit,

or may refuse consent.

Provided that where the application relates to any woodland

specified in the First Schedule to this Order the authority shall grant

consent so far as accords with the principles of good forestry, except

where, in the opinion of the authority, it is necessary in the interests

of amenity to maintain the special character of the woodland or the

such consent subject to conditions they may when refusing or granting

consent certify in respect of any trees for which they are so refusing

- (a) that the refusal or condition is in the interests of good forestry; or
- (b) in the case of trees other than trees comprised in woodlands, that the trees have an outstanding or special amenity value.

6.(1) Where consent is granted under this Order to fell any part of a woodland other than consent for silvicultural thinning then unless -

- (a) such consent is granted for the purpose of enabling development to be carried out in accordance with a permission to develop land under Part III of the Act, or
- (b) the authority with the approval of the Secretary of State dispense with replanting,

the authority shall give to the owner of the land on which that part of the woodland is situated a direction in writing specifying the manner in which and the time within which he shall replant such land and where such a direction is given and the part is felled the owner shall, subject to the provisions of this Order and Section 175 of the Act, replant the said land in accordance with the direction.

tree under Article 4 of the Order, or on giving a direction under

Article 6 of this Order with respect to the replanting of woodlands,

the authority shall if such condition or direction relates to land in

respect of which byelaws made by a river authority or a drainage board

restrict or regulate the planting of trees, notify the applicant or the

owner of the land, as the case may be, of the existence of such byelaws

and that any such condition or direction has effect subject to the

requirements of the river authority or drainage board under those

byelaws and the condition or direction shall have effect accordingly.

8. The provisions set out in the Third Schedule to this Order,

being provisions of Part III of the Act adapted and modified for the

purposes of this Order, shall apply in relation thereto.

9. Subject to the provisions of this Order, any person who has

suffered loss or damage in consequence of any refusal (including

revocation or modification) of consent under this Order or of any

grant of any such consent subject to conditions, shall, if he makes a

claim on the authority within the time and in the manner prescribed

by this Order, be entitled to recover from the authority compensation

in respect of such loss or damage:

Provided that no compensation shall be payable in respect

of loss or damage suffered by reason of such refusal or grant of

consent in the case of any trees the subject of a certificate in

accordance with Article 5 of this Order.

10. In assessing compensation payable under the last preceding

Article account shall be taken of -

- (a) any compensation or contribution which has been paid whether to the claimant or any other person, in respect of the same trees under the terms of this or any other Tree Preservation Order under Section 60 of the Act or under the terms of any Interim Preservation Order made under Section 8 of the Town and Country Planning (Interim Development) Act 1943, or any compensation which has been paid or which could have been claimed under any provision relating to the preservation of trees or protection of woodlands contained in an operative scheme under the Town and Country Planning Act 1932, and
- (b) any injurious affection to any land of the Owner which would result from the felling of the trees the subject of the claim.

11.(1) A claim for compensation under this Order shall be in writing and shall be made by serving it on the authority, such service to be effected by delivering the claim at the offices of the authority addressed to the Clerk thereof or by sending it by prepaid post so addressed.

(2) The time within any such claim shall be made as aforesaid shall be a period of twelve months from the date of the decision of the authority, or of the Secretary of State, as the case may be, or where an appeal has been made to the Secretary of State against the decision of the authority, from the date of the decision of the Secretary of State on the appeal.

12. Any question of disputed compensation shall be determined in accordance with the provisions of Section 179 of the Act.

13. (1) The provisions of Section 61 of the Act shall apply to

this Order and the Order shall take effect on the date hereof.

(2) This Order shall apply to any tree specified in the

First Schedule hereto, which is to be planted as mentioned therein,

as from the time when that tree is planted.

NOTE: Any person contravening the provisions of this Order by cutting down, uprooting or wilfully destroying a tree, or by wilfully damaging, topping or lopping a tree in such a manner as to be likely to destroy it is guilty of an offence and liable on summary conviction to a fine not exceeding £1000 or twice the sum which appears to the court to be the value of the tree, whichever is the greater, or on indictment to a fine. The penalty for any other contravention of this Order is a fine not exceeding £200 on summary conviction and, in the case of a continuing offence when the contravention is continued after conviction, a person is liable on summary conviction to an additional fine not exceeding £5 for every day on which the contravention is so continued.

If a tree other than one to which an Order applies as part of a woodland is removed, uprooted or destroyed in contravention of an Order or is removed, uprooted or destroyed or dies at a time when its cutting down or uprooting is authorised only by section 60(6) of the Town and Country Planning Act 1971 relating to trees which are dying or dead or have become dangerous, it is the duty of the owner of the land, unless on his application the local planning authority dispense with the requirement, to plant another tree of appropriate size and species at the same place as soon as he reasonably can. Except in emergency, not less than 5 days previous notice of the removal, etc., should be given to the authority to enable the latter to decide whether or not to dispense with the requirement. 7
