The County Council of the Administrative County of Northumberland (in this Order called "the authority") in pursuance of the powers conferred in that behalf by Section 28 of the Town and Country Planning Act, 1947, and subject to the provisions of Section 13 of the Forestry Act, 1951, hereby make the following Order:—

1. In this Order—

"the Act" means the Town and Country Planning Act, 1947;

"owner" means the owner in fee simple either in possession or who has granted a lease or tenancy of which the unexpired portion is less than three years; a lessee (including a sub-lessee) or tenant in possession, the unexpired portion of whose lease or tenancy is three years or more; and a mortgagee in possession; and

2. Subject to the provisions of this Order and to the exemptions specified in the Second Schedule hereto, no person shall, except with the consent of the authority and in accordance with the conditions, if any, imposed on such consent, cut down, top, lop, or wilfully destroy or cause or permit the cutting down, topping, lopping or wilful destruction of any tree specified in the First Schedule hereto or comprised in a group of trees therein specified, the position of which trees and groups of trees, is defined in the manner indicated in the said First Schedule on the map annexed hereto, which map shall, for the purpose of such definition as aforesaid, prevail where any ambiguity arises between it and the specification in the said First Schedule.

3. An application for consent made to the authority under Article 2 of this Order shall be in writing stating the reasons for making the application, and shall by reference if necessary to a plan specify the trees to which the application relates, and the operations for the carrying out of which consent is required.

4. (1) Where an application for consent is made to the authority under this Order, the authority may grant such consent either unconditionally, or subject to such conditions (including conditions requiring the replacement of any tree by one or more trees on the site or in the immediate vicinity thereof), as the authority may think fit, or may refuse consent.

Provided that on imposing any condition requiring the replacement of any tree, the authority shall, if such condition relates to land in respect of which byelaws made by a river board or a drainage board restrict or regulate the planting of trees, notify the applicant or the owner of the land, as the case may

5. Where the authority refuse consent under this Order or grant such consent subject to conditions they may when refusing or granting consent certify in respect of any trees for which they are so refusing or granting consent that they are satisfied—

6. The provisions set out in the Third Schedule to this Order, being provisions of Part III of the Act adapted and modified for the purposes of this Order, shall apply in relation thereto.

7. Subject to the provisions of this Order, any person who has suffered damage or has incurred expenditure in consequence of any refusal of consent under this Order or of any grant of any such consent subject to conditions, shall, if he makes a claim on the authority within the time and in the manner prescribed by this Order, be entitled to recover from the authority compensation in respect of such damage or expenditure.

Provided that no compensation shall be payable in respect of damage suffered or expenditure incurred by reason of such refusal or grant of consent in the case of any trees the subject of a certificate in accordance with Article 5 of this Order.

8. In assessing compensation payable under the last preceding Article or under Section 22 of the Act as applied by this Order account shall be taken of:—

(2) The time within which any such claim shall be made as aforesaid shall be a period of twelve months from the date of the decision of the authority, or of the Minister, as the case may be, or where an appeal has been made to the Minister against the decision of the authority, from the date of the decision of the Minister on the appeal.

10. Any question of disputed compensation shall be determined in accordance with the provisions of Section 110 of the Act.

15. (2) Where an application for consent under the Order is referred to the Minister under this section, the provisions of Articles 4 and 5 of the Order shall apply in relation to the determination of the application by the Minister as they apply in relation to the determination of such applications by the authority.

Provided that before determining any such application the Minister shall, if either the applicant or the authority so desire, afford to them an opportunity of appearing before and being heard by a person appointed by the Minister for the purpose.

(3) The decision of the Minister on all applications referred to him under this section shall be final.

16.
